Presentations look across the American Memory collections to investigate curricular themes. They include historical background, helping to tell the story behind the theme. Activities offer an interactive, "hands on" experience and focus on a specific topic, rather than broad themes. They require teacher direction, but invite students to participate.

The Twentieth Amendment (Proposed March 2, 1932; Adopted January 23, 1933) to the United States Constitution shortened the length of time between election day and the beginning of Presidential and Congressional Terms. The Constitution originally provided four months of time between election and active service, with elections in November and terms not beginning until March 4.

Strip clubs are venues where strippers provide adult entertainment, predominantly in the form of striptease or other erotic or exotic dances. Strip clubs typically adopt a nightclub or bar style, and can also adopt a theatre or cabaret-style. American-style strip clubs began to appear outside North America after World War II, arriving in Asia in the late 1980s and Europe in the 1978, where they ...
