x We report the case of a 56 year-old female with a six-year history of severe epigastric pain following chest compressions for cardiac arrest. A comprehensive gastrointestinal workup was negative. However, an abdominal CT scan demonstrated an elongated xiphoid process. After a xiphoid trigger point injection, she experienced pain relief lasting four days, and thus her symptoms were attributed ...

Money is any item or verifiable record that is generally accepted as payment for goods and services and repayment of debts, such as taxes, in a particular country or socio-economic context. The main functions of money are distinguished as: a medium of exchange, a unit of account, a store of value and sometimes, a standard of deferred payment. Any item or verifiable record that fulfils these ...

Solution of an equation. Every equation in the unknown x may be rewritten as $=$ by regrouping all terms in the left-hand side. It follows that the solutions of such an equation are exactly the zeros of the function. In other words, "zero of a function" is a phrase denoting a "solution of the equation obtained by equating the function to 0," and the study of zeros of functions is exactly the same ...
