If one or more of these apply to you, please read on because you are in the right place and there's help for you here.. The families that use my science program typically possess expertise in a wide variety of trades and industry, from computer programmers and doctors to grocery store managers and hair dressers.

Science Mastery - Homeschool Science Education

What is dark energy? More is unknown than is known — we know how much there is, and we know some of its properties; other than that, dark energy is a mystery — but an important one. Roughly 70% of the Universe is made of dark energy. Dark matter makes up about 25%. The rest - everything on Earth, everything ever observed with all of our instruments, all normal matter adds up to less than 5 ...
