Textston has revived the ancient decorative arts of Venetian plasters and Old World stucco by introducing new formulas to meet the needs and desires of the 21st century artisans and designers. The authentic mineral-based plasters have a tactile and visual appeal impossible to duplicate with faux finishes or ordinary plasters. Veneciano – slaked lime putty plaster.

Textston - ProCoat Systems

The application of STOPAQ Coatings is done manually and generally without any additional heat requirements. For field application, this gives advantages compared to other coating systems, which require heat treatments.

Rehabilitation - STOPAQ® BV
