The United States federal budget comprises the spending and revenues of the U.S. federal government. The budget is the financial representation of the priorities of the government, reflecting historical debates and competing economic philosophies.

United States federal budget - Wikipedia

Income inequality in the United States is the extent to which income is distributed in an uneven manner among the American population. The inequality has increased significantly since the 1970s after several decades of stability, meaning the share of the nation's income received by higher income households has increased. This trend is evident with income measured both before taxes (market ...
