Dane Wigington GeoengineeringWatch.org. As the saying goes, sometimes it must get worse before it gets better. We would do well to consider this premise as climate intervention operations accelerate and the horizon continues to grow darker. Truth-tellers are marginalized by the power structure controlled mainstream media and punished by official agencies, while criminal insiders go free.

Geoengineering Watch Global Alert News, April 13, 2019, #192

The content standards presented in this chapter outline what students should know, understand, and be able to do in natural science. The content standards are a complete set of outcomes for students; they do not prescribe a curriculum. These standards were designed and developed as one component of ...
