Broadridge began as the brokerage services division of ADP in 1962. Since becoming independent in 2007, we have grown into a global Fintech company with over \$4 billion in revenues and are recognized as an invaluable partner for the world's leading companies and financial institutions.

About Us - History, Executive Leadership, Awards | Broadridge

The Wamsutta Apartment project has dramatically increased the opportunity for residents to obtain affordable housing within our community. It has been my pleasure to work with the Department of Housing and Community Development, who assisted in securing low-income tax-credits and home financing for this project, and I commend HallKeen for its efforts toward improving the housing situation in ...

When working with two, three, or more security applications from multiple vendors, user effectiveness quickly becomes constrained. At the extreme, it means dealing with over half a dozen monitoring and management applications; operators and administrators are easily overwhelmed by the sheer number of user applications and by the amount of knowledge they need to acquire to perform their work.
