Interesting stuff. I think I still prefer the triangle, personally. I always saw the iron triangle as something that you could take to business folks when hard decisions had to be made because it makes sense to them, i.e., here are the levers you can play with but you can't move one without affecting the others.

Better Projects: It used to be the Iron Triangle

"The Iron Giant" is based upon the 1968 story, 'The Iron Man,' by the British poet laureate Ted Hughes. The film is about a giant metal machine that drops from the sky and frightens a small town in Maine in 1957, only to find a friend named Hogarth, and ultimately finds its humanity and saves the townspeople from their fears and prejudices.
