Meet Hye-Kyung Kim “Philosophy is a crucial examination of our most fundamental beliefs and concepts. It asks questions that other areas of study don’t, and it does its best to answer them through the use of reason.

Philosophy - UW-Green Bay

Environmental Awareness - Naturalist Intelligence Environment is the area in which we live and share. The thin layer of air that surrounds our planet that supports life. Humans are the only kind of life that we know of that exists in our universe. If we did not have our environment we could not exist.

Environmental Awareness - Naturalist Intelligence

In 1994, the Friends of the Jepson Herbarium began a program to provide educational opportunities for a broad audience of professional and amateur botanists. Today, the program continues to serve as a liaison between the scientific community and the public, a role we are dedicated to as we enter our 26th year of public programs.
