Introduction. The training of domestic horses is traditionally reliant on negative reinforcement to prompt responses, together with positive reinforcement of desired responses and punishment of undesirable ones (McLean, 2005). These practices have changed little since domestication began some 6,000 years ago (Budiansky, 1997; Waran et al., 2002), and although effective, they were not developed ...

Burrhus Frederic Skinner (March 20, 1904 – August 18, 1990), commonly known as B. F. Skinner, was an American psychologist, behaviorist, author, inventor, and social philosopher. He was the Edgar Pierce Professor of Psychology at Harvard University from 1958 until his retirement in 1974.. Skinner considered free will an illusion and human action dependent on consequences of previous actions.
