Lexington Two recently earned the distinction of being one of only two traditional public school

districts in South Carolina -- and among only 373 across the US and Canada -- to be honored by the College Board with placement on the 9th Annual AP District Honor Roll.

Lexington School District Two

Hypodontia is defined as the developmental absence of one or more teeth (excluding the third molars) which can affect both the primary and permanent dentition. It is the most common developmental dental anomaly and can be challenging to manage clinically. The term hypodontia is used to describe the whole range of the disorder from one missing tooth to the complete absence of all teeth, anodontia.

Hypodontia - Wikipedia
