This article is based on our personal experience and is our personal perspective from our careers in a big pharma company. Some points made will be unique to GSK and to the UK and we recognise that drug discovery also takes place in biotechs, academia and in non-profit institutions inter alia and certain points will not apply in these situations. But we hope most points capture practices and ...

Medicinal chemistry in drug discovery in big pharma: past ...

Find out what you'll learn. At Colorado State, there are two primary methods to explore your passions: majors and concentrations. A major is the degree you will earn at graduation, while a concentration focuses on a specific field of study related to a major.
