This is a partial list of social and cultural phenomena specific to the Internet, also known as Internet memes, such as popular themes, catchphrases, images, viral videos, and jokes. When such fads and sensations occur online, they tend to grow rapidly and become more widespread because the instant communication facilitates word of mouth.. The below partial list focuses more on Internet ...

This is a list of atheists in science and technology. A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list. Persons in this list are people (living or not) who both have publicly identified themselves as atheists, or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public ...

Episode 75, May 8, 2019. Dr. John Langford, a partner researcher in the Machine Learning group at Microsoft Research New York City, is a reinforcement learning expert who is working, in his own words, to solve machine learning. Rafah Hosn, also of MSR New York, is a principal program manager who's working to take that work to the world. If that sounds like big thinking in the Big Apple, well ...
