This gives students the ability to use a current version in labs that may not coincide with the Simulation with Arena textbook edition. These unlicensed versions can be used for academic, non-commercial purposes only. Instructors who adopt the Simulation with Arena textbook as required course material are eligible for valuable benefits, including:

Professors - Arena Simulation

The first edition of this book was the first text to be written on the Arena software, which is a very popular simulation modeling software. What makes this text the authoritative source on Arena is that it was written by the creators of Arena themselves. The new third edition follows in the tradition of the successful first and second editions in its tutorial style (via a sequence of ...
