I have a formula in a cell which counts the values in 2 other cells. Normally, after entering in the values in these 2 other cells, the formula cell updates automatically when Enter is pressed or when the cells are clicked out of.. However, for some reason, the value calculated by the formula does not update automatically.

Music lover. Euan. Reach for the stars beyond traditional school walls. Euan attended traditional school growing up and was a successful student, but he thought a distance learning program would better help him meet his music goals: to study cello at a performance conservatory, then to pursue a graduate degree in conducting.
