Why a Scientific Format? The scientific format may seem confusing for the beginning science writer

due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

How to Write Guide: Sections of the Paper

Death, due to its prominent place in human culture, is frequently imagined as a personified force, also known as the Grim Reaper. In some mythologies, the Grim Reaper causes the victim's death by coming to collect that person. In turn, people in some stories try to hold on to life by avoiding Death's visit, or by fending Death off with bribery or tricks.
