math101 final exam sp2010 9

I was given 2 hours for 65 questions for a college level algebra final exam. I don't and did not use a graphing calculator. Some of these questions took me 10 minutes, especially after verifying my answer in each equation. I was getting an 88% until the final. All exams before this were 20 questions, with one hour.

Failed a math final exam. How do I convince my online ...

On first glance, you might think that it would be easy to cheat on an online college course exam. You can have a friend take the exam for you, right? If you don't know the answer to a question, you can Google it or phone a friend, correct? And even if you are prohibited from using a calculator during the exam, who is going to know? Well, it isn't easy to cheat on an exam for your online ...
