What is reading? At the most basic level reading is the recognition of words. From simple recognition of the individual letters and how these letters form a particular word, to what each word means – not just on an individual level, but also as part of a text.

Reading matters: What is reading? | Onestopenglish

General instructional activities. To correspond with a typical reading lesson, comprehension strategy instruction can be organized into a three-part framework, with specific activities used before, during, and after reading.. Providing instruction such as the following example allows students to see, learn, and use a variety of comprehension strategies as they read.

Strategies that Promote Comprehension | Reading Rockets

How can classroom reading instruction help poor readers — indeed, all students — become more like good readers? Research suggests that the answer may lie in providing students with instruction that both teaches them the comprehension strategies that work so well for good readers and helps them to develop the necessary metacognitive awareness of how and when to use these

To know whether you should read the IELTS Reading passage first or the questions first, experiment with both strategies and see what works best for you. Many students have found it helps to skim through the questions first to get an idea of what to pay attention to in the reading passage. This method may work for you too, but in reality, it depends on a number of factors.
