3. A meeting helps every individual understand both the collective aim of the group and the way in which his own and everyone else's work can contribute to the group's success.

### **How To Run a Meeting - Harvard Business Review**

These Habits of Mind seldom are performed in isolation; rather, clusters of behaviors are drawn forth and used in various situations. For example, when listening intently, we use the habits of thinking flexibly, thinking about our thinking (metacognition), thinking and communicating with clarity and precision, and perhaps even questioning and posing problems.

1. Introduction. In the field of management of technology and innovation, the ecosystem concept is of increasing significance (Adner and Kapoor, 2010, Kapoor and Lee, 2013, Meyer et al., 2005, Pierce, 2009, Teece, 2007), although the term ecosystem seems to be used without clear definition or sound theoretical backing. This paper poses three basic questions at the start of the review process.
