Official laboratory-measured monitoring data indicate a progressive decline in the average fuel consumption and CO₂ emissions of the European passenger car fleet. There is increasing evidence to suggest that officially reported CO₂ values do not reflect the actual performance of the vehicles on the road. A reported difference of 30-40% between official values and real-world estimates was ...

Validity of acquisition and deployment of Brocade library system in South Africa is a case of many questions and only a few plausible answers. Although not open source itself, it uses an open source database and interfaces with open source products and costs as much as proprietary software. Was this sales ploy?
