Sociology And You Teacher Edition

The field of sociology itself—and sociological theory by extension—is relatively new. Both date back to the 18th and 19th centuries. The drastic social changes of that period, such as industrialization, urbanization, and the rise of democratic states caused particularly Western thinkers to become aware of society. The oldest sociological theories deal with broad historical processes ...

Deviance is defined as "nonconformity to a set of norms that are accepted by a significant number of people in a community or society." More simply put, if group members do not follow a norm, they become labeled as a deviant. In the sociological literature, this can often lead to them being considered outcasts of society.
