The history of statistics in the modern sense originates from the term statistics, coined in 1749 in Germany. Although there have been changes to the interpretation of the word over time. The development of statistics is intimately connected on the one hand with the development of sovereign states, particularly European states following the Peace of Westphalia (1648); and the other hand with ...

Reality television is a genre of television programming that documents purportedly unscripted real-life situations, often starring unknown individuals rather than professional actors. Reality television came to prominence in the late 1990s and early 2000s with the global successes of the series Survivor, Idols, and Big Brother, all of which became global franchises.
