You can edit the Rating Scale (4,3,2,1) by entering in your values for each Column Heading. Use the pull-down menu in the first row to select the category you want to appear first in your rubric.

Create Your Rubric - Customize Your Rubric

That doesn't really help you, though, to discover if another person has read a text message you sent. If you're using an iPhone and want to see if someone read your text message, you need to be using iMessage to send the text – and that person needs to be using an iPhone as well, in addition to the stipulation that they must have the option to send read receipts turned on.

How to Tell When Someone Reads Your Text Message

In European and West Asian typography and penmanship, the baseline is the line upon which most letters "sit" and below which descenders extend.. In the example to the right, the letter 'p' has a descender; the other letters sit on the (red) baseline. Most, though not all, typefaces are similar in the following ways as regards the baseline: capital letters sit on the baseline.

Baseline (typography) - Wikipedia
