Written for @xayti and strongly encouraged by @miraculousdays:D hope you enjoy! Here's the xayti's original post (aka my inspiration for this little bit of sin) Summary: Marinette traced her fingers down the smooth lines of the magazine, a blush creeping to her face..she was struck with a familiarity that made her skin tingle, made her swallow with sudden and surprising nervousness.

Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and his or her knowledge about the subject. Inquiry-based Learning is often assisted by a facilitator rather than a lecturer.
