Principles of Worship: The Regulative Principle Over the next three weeks, I will cover five principles that govern Christian worship. These are principles that are held and practiced particularly by Reformed and Presbyterian churches, although some of them we hold in common with the church at large.

### **Principles of Worship: The Regulative Principle**

WTJ 54:2 (Fall 1992) p. 357. Some Questions about the Regulative Principle . John M. Frame. Let it be clear from the outset that my "questions" about the Reformed regulative principle for public worship do not spring from doubts about what I take to be its main thrust.

### **Some Questions about the Regulative Principle -- By: John ...**

Some Questions about the Regulative Principle--John M. Frame. Let it be clear from the outset that my "questions" about the Reformed regulative principle for public worship do not spring from doubts about what I take to be its main thrust.

### **Frame, John -- Some Questions About the Regulative Principle**

Typically Roman Catholics, Lutherans, and Anglicans follow some form of this principle, which says that as long as the Bible doesn't forbid a particular practice, it may be introduced as an element in a public worship service. The second group follows what has come to be known as the Regulative Principle of Worship.

### **The Liberating Regulative Principle of Worship | Religious ...**

The regulative principle of worship is a Christian doctrine, held by some Calvinists and Anabaptists, that God commands churches to conduct public services of worship using certain distinct elements affirmatively found in scripture, and conversely, that God prohibits any and all other practices in public worship.

### **Regulative principle of worship - Wikipedia**

How does the traditional Regulative Principle proponents answer Frame concerning this 3rd category, along with "element" and "circumstance" called "mode"; and what is the response of making song a "mode" of performing the "elements" of "praying, teaching, praising"? It seems to me, that couple of things must follow from this: 1.

### **John Frame and "mode" in the Regulative Principle of ...**

Other rules however are of the form "This X count as Y in (circumstances) C". The former are regulative rules, the latter are constitutive rules. The key difference is that constitutive rules make

some kinds of actions or facts possible while regulative rules only regulate a practice that is not logically tied to the rule.

### **Are There Constitutive Rules? | Bargaining Game**

The second contemporary objection to the regulative principle which I have isolated is as follows: (2) It implies a different hermeneutic for the church than for other areas of life. This objection and my answer to it constitutes a kind of footnote to the first issue.
