Creation Science Is Real Science. Evolutionists and some old-earth creationists frequently charge that scientists who believe in a young earth don't have real degrees and don't do real scientific research that can be published in peer-reviewed secular scientific journals.

## **Creation Science | Answers in Genesis**

What is science? Science is the concerted human effort to understand, or to understand better, the history of the natural world and how the natural world works, with observable physical evidence as the basis of that understanding 1.It is done through observation of natural phenomena, and/or through experimentation that tries to simulate natural processes under controlled conditions.

Parents need to know that Bill Nye: Science Guy is a documentary about the star of the beloved 1990s kids' show Bill Nye the Science Guy and his attempts to "leave the world better than he found it" after the show has run its course. The movie isn't specifically aimed at kids, but there's very little iffy content. Aside from some self-reflection that could be a little bit boring for younger ...
