Special education (also known as special-needs education, aided education, exceptional education, special ed. or SPED) is the practice of educating students in a way that addresses their individual differences and needs. Ideally, this process involves the individually planned and systematically monitored arrangement of teaching procedures, adapted equipment and materials, and accessible settings.

The Modern-Revised View of the Regulative Principle of Worship. Seeing that there are no commands or approved examples for congregational, responsive readings in the Bible, we must ask whether responsive readings can be derived by 'good and necessary consequence' from Scripture? (see WCF 1.6). Modern proponents of responsive readings often seek to find such inferences by redefining the ...
