Swallowing disorders are serious business, and the speech-language pathologists who assess and treat them need to know their stuff. Unfortunately, there are many dysphagia myths floating around out there, and SLPs are constantly having to educate patients, families, and other medical staff to combat these contagious pieces of misinformation. Here are some they want you to stop believing:

Rare, medium or done? A Western history of definitions & preferences According to the Oxford English Dictionary, the word "rare," counterbalancing "done" describing the doneness of meat, descends from the word "rear," meaning imperfectly cooked or underdone.The original culinary use described eggs. The earliest print reference to the word "rare" relating to meat cookery is circa 1615.
