Aviation instructors need a good understanding of the general characteristics of learning in order to apply them in a learning situation. If learning is a change in behavior as a result of experience, then instruction must include a careful and systematic creation of those experiences that promote learning.

The Learning Process - Dynamic Flight

Design and planning resource for classroom teachers, instructional designers, and professors of education. The glossary lists, describes, and provides links for over 800 educational strategies, theories, and activities.

Glossary of Instructional Strategies

My son is 3 and he does all but 10 or so of the items above. I know all children are different and develop at a different rate, but if you spend time with your child every day, read them a story, play with them, and expose them to different environments, they inevitably pick things up.
