Introduction Consultation is the heart of the Section 106 process. Federal agencies are required to identify and engage a variety of consulting parties during the steps they follow to meet their legal obligations. Principal among these consulting parties are State Historic Preservation Officers (SHPOs) and Tribal Historic Preservation Officers (THPOs).

Guidance on Assistance to Consulting Parties in the ...

8.1.1 The Design of Gadget, Fat Man, and "Joe 1" (RDS-1). The design of the Gadget and Fat Man devices are discussed together since they are basically the same. Gadget was an experimental test version of the implosion system used in Fat Man and were identical in all but a couple of details. A test of the implosion bomb was considered essential due to the newness of the explosive wave shaping ...

Caesarean section, also known as C-section, or caesarean delivery, is the use of surgery to deliver babies. A caesarean section is often necessary when a vaginal delivery would put the baby or mother at risk. This may include obstructed labor, twin pregnancy, high blood pressure in the mother, breech birth, or problems with the placenta or umbilical cord.
