Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Jeannie Friedel. I love these. They are short and simple enough that I can do them in between putting my daughters to bed, but challenging enough that I learn something new almost every time. Of course there is always a long - probably unpythonic - way to solve most problems, but I push myself, not to make it short, but to make it readable, clear, and pythonic.
