Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators, however learners may also educate themselves. Education can take place in formal or informal settings and any ...

Hi there ☹️ I want to purchase full length exams, but am not sure which. So far I have a tie between EK and Next Step. I saw that Next Step is preferred a bit more mainly because of the format and grading, but which of these two would you say closely resembles the real MCAT in terms of difficulty and content emphasized?
