Science Questions for Tests and Worksheets - Help Teaching

These questions may be important, but science won't help you answer them. Questions that deal with supernatural explanations are, by definition, beyond the realm of nature — and hence, also beyond the realm of what can be studied by science. For many, such questions are matters of personal faith and spirituality.

Science has limits: A few things that science does not do

An actual ACT Science Test contains 40 questions to be answered in 35 minutes. Read the passage carefully. Refer to the scientific information in the passage when answering the question. Read and consider all of the answer choices before you choose the one that best responds to the question. Note conflicting viewpoints in some passages.
