Solution Financial Accounting By Meigs

In general usage, a financial plan is a comprehensive evaluation of an individual's current pay and future financial state by using current known variables to predict future income, asset values and withdrawal plans. This often includes a budget which organizes an individual's finances and sometimes includes a series of steps or specific goals for spending and saving in the future.

R3. In-Text Citations. R3.1. For standard legal documents, in-text citations are rendered either as (i) a complete sentence that supports a claim in the immediately preceding sentence of text, or, (ii) when the citation relates to a particular part of a sentence, as a clause within the sentence, immediately following the claim it supports.
