In most contexts, there is no difference in meaning between theater and theatre. Neither has any special definitions in general usage. The main thing that most English speakers and learners need to know is that theater is the preferred spelling in American English, and theatre is preferred virtually everywhere else.

Theater vs. theatre - Correct Spelling - Grammarist

Though defense is now the American spelling, it is not American in origin. The OED and Google Books reveal examples of the spelling from as long ago as the 1300s, many centuries before the United States existed.

Hi Everyone, My colleague Marg introduced me to the Rosetta Primary School site this week. This Tasmanian primary school has developed some brilliant interactive activities that can be used on computers or interactive white boards. I am going to use the coin calculator in class next week but there are many more applications which you might like to use with your class.
