Scum of the Earth Church (SOTEC or Scum) is a non-denominational Christian urban church located in Denver, Colorado's arts district, in that city's Lincoln Park neighborhood. [not verified in body] Its name is taken from 1 Corinthians 4:11-13, which includes Paul the Apostle's statement, "We have become the scum of the earth." As of December 2014, the Denver church was led by pastor Mike Sares.

The Moon is an astronomical body that orbits planet Earth and is Earth's only permanent natural satellite. It is the fifth-largest natural satellite in the Solar System, and the largest among planetary satellites relative to the size of the planet that it orbits (its primary). The Moon is after Jupiter's satellite Io the second-densest satellite in the Solar System among those whose densities ...

Definitions of "Science Fiction" And what do we even mean by "science fiction" anyway? In one sense, the first article to define the field was published over 150 years ago, before the field was widely acknowledged to exist: New Species of Literature "We learn that Mr. R. A. Locke, the ingenious author of the late 'Moon Story' or 'Astronomical Hoax,' is putting on the stocks the frame of a new ...

Like the Romantics before them, genre-sf writers have generally been on the side of Faust, convinced that the quest for knowledge was a sacred one, no matter how fondly a jealous God might prefer blind faith. Characters in bad Hollywood Monster Movies might be able to sign off with a resigned admission that "there are things Man was not meant to know", but nothing could be more alien to the ...

Cultural Context: As time passes, the original cultural assumptions and cultural understanding of phrases and words will all change, making it impossible for many things to be understood by future audiences in the same way that the original authors meant them. The longer ago something was written, the less the context is clear to us today, and this opens the way for much culturally subjective ...
