Brandeis University is a rare combination of a liberal arts college and a global research university. As a research university, we attract faculty who are leading scholars, scientists and creative artists working at the forefront of their disciplines and interdisciplinary fields. But like a liberal arts college, we are small enough for students to work directly with faculty at all levels of ...

Academics | Brandeis University

Choosing a college (education) is a really big decision. There's so much to think about: size, location, campus community, professors, career services, majors, clubs. The good news is that the most important qualities of a Brandeis education never change: academic rigor, a welcoming, diverse ...

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia
