You now have access to what I believe is the most effective teambuilding system in existence. No, it is not this book, *How NASA Builds Teams*. It is this book combined with (free) assets available at www.4-DSYSTEMS.com. I know this because we have developed nearly 200 NASA project, engineering, and management teams over the past five years.

Dialectical behavior therapy (DBT) is an evidence-based psychotherapy that began with efforts to treat Borderline Personality Disorder (also known as Emotional Instability Disorder). DBT has been proven useful in treating mood disorders, suicidal ideation, and for change in behavioral patterns such as self-harm, and substance abuse. DBT evolved into process in which the therapist and client ...
