What is phonology? Phonology is the study of the sound system of languages. It is a huge area of language theory and it is difficult to do more on a general language course than have an outline knowledge of what it includes. In an exam, you may be asked to comment on a text that you are seeing for the first time in terms of various language descriptions, of which phonology may be one.

If eyes are a mirror to your soul, then handwriting must be a window. It might sound funny, but our handwriting tells so much about us, that a skilled professional might see through you only by looking at your lettering. Cursive handwriting can tell about your personality, state of mind, traumatic events, hand-eye coordination and even bone structure that affects the way you hold the pen.
