Who are lone workers? Lone workers are those who work by themselves without close or direct supervision. Anybody who works alone, including contractors, self-employed people and employee, is classed as a lone worker.

Lone Workers - Health and Safety Authority

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
