Undocumented or DACA Students. We welcome applications from undocumented and DACA (Deferred Action for Childhood Arrivals) students. You apply in the same way U.S. citizens and

permanent residents do, and your application will be considered the same way U.S. citizens and permanent residents are, by the regional admissions officer responsible for where you attend high school.

Application Instructions - Duke Admissions

Make customizable worksheets about constant (or average) speed, time, and distance, in PDF or HTML formats. You can choose the types of word problems, the number of problems, metric or customary units, the way time is expressed (hours/minutes, fractional hours, or decimal hours), and the amount of workspace for each problem.

Speed, time, and distance worksheets - Homeschool Math

Math is a static class, not a namespace. It is located in the System namespace. Therefore, you only have to include the System namespace. Simply use `Math.Sqrt` and drop the "using System.Math;" Note that it is `Math.Sqrt` and not `Math.sqrt`
