International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. International Women's Day (IWD) has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people in Austria, Denmark, Germany and Switzerland.

About International Women's Day

The Transport Workers' Union of NSW (TWU) advises that the protected industrial action by members working for Interline Bus Services has been called off following negotiations between the TWU and the company.

Legal Rights for Pregnant Workers under Federal Law. If you are pregnant, have been pregnant, or may become pregnant, and if your employer has 15 or more employees, you are protected against pregnancy-based discrimination and harassment at work under federal law. You may also have a legal right to work adjustments that will allow you to do your job without jeopardizing your health.

Legal Rights for Pregnant Workers under Federal Law

The capitalist class have always had the policy of "divide and rule", on grounds of race or sex, in order to more successfully exploit the working class as a whole. Barbara Humphries gives a brief outline of the position of women at work over the past 200 years.
