Hong Kong to build artificial island to solve housing shortage The government's HK\$624 billion proposal to reclaim 2,471 acres of land around the territory's largest island, Lantau, has been touted as a solution to the pressing housing shortage in the city.

Hong Kong to build artificial island to solve housing ...

The public is starting to understand that the predominant federal strategy to end homelessness is failing. Providing every homeless person with a permanent home has not reduced the number of homelessness – particularly in places like New York, Seattle, and California – and is an expensive and unrealistic objective. In California, tent camps have increased the visibility of homelessness.
