Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

For months and years at a time, George Schaller has lived among the most beautiful and fascinating creatures on Earth, among them the lions and gorillas of Africa, the tigers of India, the jaguars of the Amazon, and the giant pandas of China. His painstaking observations of the daily life of animals in their natural habitats have yielded priceless insight into the breathtaking variety of life ...

George B. Schaller, Ph.D. | Academy of Achievement
