This month we discuss ISO Guide 80, "Guidance for the In-House Preparation of Quality Control Materials." This practical guide is worth reading, and its contents should be compared with your current working practices. In addition, we look at options for the preparation of working solutions from stock solutions to see the errors that could occur.

Guidelines. You are required to have a digital certificate for access into the eOffer/eMod applications, to authenticate you against the authorized negotiators list for your offer/modification, and to sign the final contract/modification documents electronically. To obtain a digital certificate, please click on the link under the "About eOffer" section below titled (Digital Certificates).

eOffer/eMod Home

It is normal for a baby (that no longer needs to wake for feeds) to wake up for a short period of time several times a night. These arousals should only last for a few seconds and at most a few minutes. The problem occurs when these awakenings become more recurrent, last for more than just a few minutes at a time, or when baby is unable to get back to sleep by himself without outside help ...

Hi. I am currently a csp and I am seeing this comments and have to agree. I am fairly new but am already seeing everything wrong. Like how the monies paid to me do not seem to match up with sow as well as the fact that no matter how much more hours I service the current week compared to the last and "metrics" still come back as crap.
