Use a comma to separate the elements in a series (three or more things), including the last two. "He hit the ball, dropped the bat, and ran to first base." You may have learned that the comma before the "and" is unnecessary, which is fine if you're in control of things.

Rules for Comma Usage

"Like a novel, narrative nonfiction imposes structure, theme and subtext to events, place and character. Unlike novelists, authors of narrative nonfiction must live with the fact that real people and real facts seldom conform very tidily to these conventions.
