Cycling Phosphorus Phosphorus (P) is another one of the essential elements that cycle through the ecosystem. It is an element that is found in the ground and then taken up by plants and animals. Phosphorus starts its existence as phosphate ions (PO₄) in the rocks of the world. When it rains, the phosphates and other minerals are removed from the rocks and distributed in soils and the water all ...

Sometime in mid-September 2013, I officially accepted a mission. It was a mission to test out the Novuhair 3-in-1 Pack which is composed of the Novuhair Topical Scalp Lotion, Novuhair Herbal Shampoo and Novuhair Herbal Conditioner and see if I can vouch for these products for what they are known.. I thought that my dad (who's now nearing 60 years old) rather than myself would be a better ...
