Serving Those Who Serve Vermont. The Department of Buildings and General Services exists primarily to provide the facilities and services required for all state agencies and departments to accomplish their missions.

Home Page | Buildings and General Services

The Monte Carlo simulation results for this project reflect a tight budget, which was indeed the case. This project also had a large amount (US\$400 million) of construction scope, which had been subcontracted on a fixed price contract, thus the construction scope of work risk was on the construction company instead of the project.

When interviewing candidates for a job, Angela likes to get a feel for how their past experiences will shape their future actions. She likes to ask the question, "Tell me about a time when you had to prioritize three or four courses of action, what they were, and how you decided to prioritize each one."
