Books in the Mathematical Sciences

We are proud to announce the author team who will continue the best-selling James Stewart Calculus franchise. Saleem Watson, who received his doctorate degree under Stewart's instruction, and Daniel Clegg, a former colleague of Stewart's, will author the revised series, which has been used by more than 8 million students over the last fifteen years.

Stewart Calculus Textbooks and Online Course Materials

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in

the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...
