This section of HomeschoolMath.net aims to help you choose a math curriculum for homeschooling. We have a large number of reviews of all popular homeschool math curricula on the market today — but we can still use more, so please write a review yourself as well! But first, we list articles on curriculum issues and a few miscellaneous curriculum resources.

Homeschool math curriculum guide: reviews, how to choose ...

Saxon Grammar and Writing (SGW) uses the same educational methodology that has popularized the Saxon math books. Courses for grades four through eight are designed so that students can do much of their work independently. Saxon Grammar and Writing 3, a new course for third graders published by Hake Publishing, is also available but is reviewed separately.

Saxon Grammar and Writing - Cathy Duffy

Most states have, or are developing, tests to assess their students' proficiency in state frameworks of curriculum. Many of these states are including students with limited English proficiency in this assessment process, but a significant number of LEP students have difficulty passing these standardized tests.
